Antichrist : two thousand years of the human fascination with evil (Book, 1996) [perssongroup.materialsproject.org]

As a new millennium approaches, fascination with evil and the Antichrist will mushroom; McGinn's comprehensive examination and analysis of virtually every dimension of thinking about such phenomena will undergird contemporary millennial speculation. Salvation is granted to individuals by means of the word of God and the Holy Spirit, who persuades them to believe and obey. Chapter 6 recounts the whereby humans committed and became subject to.

Westminster Confession of Faith

The next year, the Scottish parliament ratified the Confession without amendment. Chapter 28 presents a summary of. It affirms the Reformation doctrines of and the to the elect the Catholic teaching of is specifically rejected.

[PDF] Antichrist: Two Thousand Years of the Human Fascination with Evil

To view it, The one thing that really struck me most in this tome of antichrist history is how this apocalyptic image grew out of filtered and Romanized image of Jesus the Jew into Jesus the Demigod, then inverted, expanded, mythicized, drawn, personified, politicized and then slowly. The fall made it impossible for man to keep this covenant, so God made another covenant, this one called the covenant of.

Antichrist : two thousand years of the human fascination with evil (Book, 1996) [perssongroup.materialsproject.org]

Ignorant, wicked and ungodly persons may eat the bread and wine, but they do not receive Christ. McGinn demonstrates how Antichrist has often reflected the human need to comprehend the persistence of evil in the world, and examines how it has haunted popular imagination in both the form of individuals--such as Nero, Napoleon, and Saddam Hussein--and groups--Jews, heretics, Muslims. Demonstrates how Antichrist has always served the human need to understand the persistence of evil in the world.
