Nuclear Energy Agency (NEA)

By its terms, the Assembly urged all parties to consider taking practical and urgent steps towards implementing the proposal to establish a nuclear-weapon-free-zone in the Middle East and invited the countries concerned to adhere to the Treaty on the Non-Proliferation of Nuclear Weapons NPT.

General Assembly Adopts 63 Drafts on First Committee's Recommendation with Nuclear Disarmament at Core of Several Recorded Votes

Special management committee of the Nuclear Energy Agency NEA of the Organization for Economic Cooperation and Development OECD was held in December 1986 to discuss the Chernobyl accident and the committee confirmed the safety of nuclear power reactors of Western nations and decided to implement expanded programs in five areas, including investigation of the effect of the accident and the safety of nuclear power. Germany will no longer focus solely on its national supply output, but take greater consideration of the surrounding countries' electricity supply as well in the operation of their future electricity market Federal Ministry for Economic Affairs and Energy, 2016e. Following this trend, cooperations in the field of nuclear power between Japan and foreign countries are likely to be strengthened further.
