**Heard Microsoft's new vision for computing's future?**

Hoffmann plays with the ancient and romantic motive: technology is limited.

**Marvel's Vision Became a New Ultron in the Comics**

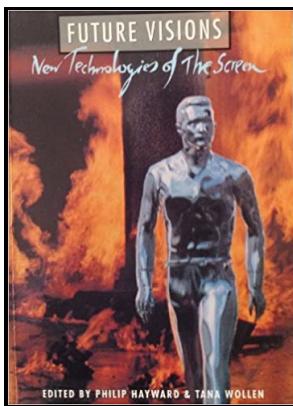

The office will likely transform from many desks, conference rooms and shared amenities to a cooperative business center supporting specific project-based priorities on an ongoing basis. And he watched one too many videos on YouTube.

**The Present And Future Of Computer Vision**

This interaction allows the simulation of human activity on its lowest level, which is the poiesis-structure. Especially in Japanese children's books robots have been shown as friendly, lovely and funny companions. The number of responses we received was overwhelming, with the vast majority keen to understand how the rise of AI would impact our lives.
