Quest

Inspired by the idealistic tendencies of various sūtras consisting of important elements of the idealistic doctrines, in the third and the fourth centuries many Indian philosophers developed and systematised a coherent Idealist School. Any other is false and therefore followers should either be converted or eliminated. Therefore, ultimate truth is the emptiness of any intrinsic reality.

The Meaning of Life According to Hinduism

They believed this as their new faith in a one god and understood it as superior.

Jonardon Ganeri, The Concealed Art of the Soul: Theories of Self and Practices of Truth in Indian Ethics and Epistemology

Of the two types of objects, some are ultimately real while others are only conventionally real, and some are not even conventionally real, they are just unreal, or fictions. He means a general property that is conceptually constructed, appearing to be something common amongst all items in a certain class of objects. Keywords Categories This chapter looks at the discussion in Vedānta of a puzzle concerning the ability of the Upaniṣads to state the truth.

Nastika School, Hindu Philosophy, Buddhist, Jaina and Carvaka

We must rely, therefore, upon men who are fully fluent in English and Greek to translate. It is essentially how one lives from day to day, and how one manages their mind.

Louis P. Pojman & Lewis Vaughn, Philosophy: The Quest for Truth

His detailed expositions and philosophical debates across the nation made Advaita the most widely known philosophy amongst the Āstika schools. This philosophical development is perhaps the most significant contribution resulting from the schisms the Buddhism experienced after the Buddha passed away ca.

Louis P. Pojman & Lewis Vaughn, Philosophy: The Quest for Truth

Universals are therefore only conventionally real, lacking any intrinsic nature, whereas unique particulars are ultimately real, and exist intrinsically.

Nastika School, Hindu Philosophy, Buddhist, Jaina and Carvaka

Nevertheless to assert that all things are empty of any intrinsic reality, for Nāgārjuna, is not to undermine the existential status of things as simply nothing.

The Meaning of Life According to Hinduism

Dogma and ideology as a following are useless.
