## Russian Art in Translation ARTBOOK

The exhibition will also highlight the rich diversity of art that emerged and survived during the past forty years of the then Soviet Union and contemporary Russia. This is a part of the Wikipedia article used under the Creative Commons Attribution-Sharealike 3.

## Russian state library

The exhibition is organized by in collaboration with the Kolodzei Art Foundation.

## The State Russian Museum

Approach it with a confident and newfound understanding of anatomy, a keen eye for form, and mark-making proficiency. Besides, unlike European religious icon paintings, they were more filled with activity and crowded with figures. Dynamic Suprematism can be closely related to the development of suprematism, a movement established by Malevich in 1913 that explored colour and form in painting through basic geometric shapes.
