The Legend of Sergius Bahira: Eastern Christian Apologetics and Apocalyptic in Response to Islam

—ira—⁸⁹ This decision was not at all welcomed in Baghdad, where Ibrāhīm ibn al-Mahdī was pronounced Caliph as a reaction against this move. Recent scholarship on literary and archeological sources has drawn attention to the intensity of the contact between the Umayyads and the monks of Syria. The explanation which Maimonides offers is that a conscious and free agent has determined that each sphere will continually pass through a particular circular motion and each star will continually radiate a particular light.

An Introduction to Classical Islamic Philosophy

It is often emphasized by Muslims how little persecution there was of heterodox sects and of the main religious minorities in the territory of Islam, and indeed by comparison with the history of much of Christian Europe this is true. This doctrine continued to have ramifications throughout Sufism during the following centuries. Tempo do mundo, tempo dos homens, tempo de Deus, ed. See also my comments at the end of this chapter.

An Introduction to Classical Islamic Philosophy

This is followed by a tract against the Ismaili sect, and writings on conforming the character to the divine, and on the 'Wonders of the Heart', an important Sufi tract about the nature and function of the soul. These facts must be reached by the use of independent reason since otherwise they must rest on authority and tradition, which are imperfect grounds for holding such important beliefs. So far we have been talking about three types of being.
