Geographical science embracing the study of the Earth's physical phenomena, people and their economic activities has always been in need of an extensive terminology.

Elseviers Dictionary Of Geosciences Russian English PDF Book

The author has reduced a complex aggregate of information to a simple and clear compendium of essential facts, with the intention of helping the reader who may wish to learn or brush up his knowledge of them.

Elsevier's Dictionary of Civil Aviation

Examples of sources which have been drawn upon in the preparation of this book, apart from the extremely useful Internet resource Google, are listed, but an exhausting enumeration would be tiresome and impractical.
