And there are other levels in between! You're trying to be more Independant You say Well Sure, be independant But I want you to run to me Cry on my shoulder Because you aren't alone And I don't want you to prepare for A time when you could be alone. LIST One of your guesses as to What I was doing when I hinted about this A list. This makes his poetry richly sensuous.

There is a reaction against a purely scientific view of nature.

Stopping by Woods on a Snowy Evening by Robert Frost

Then again not all journeys are easily mapped and some take place off-road! To them Nature appears to have a holy plan of her own for the good of mankind and she keeps a benevolent watch over man. I shall be telling this with a sigh Somewhere ages and ages hence: Two roads diverged in a wood, and I—I took the one less traveled by, And that has made all the difference. The idea of nature as teacher is quite evident in Tintern Abbey and also in To My Sister.

AN ANALYSIS OF THE POETRY OF ROBERT FROST (1874)

For the Romantic poet, imagination rather than reason, became central in shaping poetry. Wordsworth was a poet who had a huge influence, not only on poetry, but on the whole thought of the 19 th century and beyond.

Wordsworth, unlike his predecessors, sought out his subject matter in the simplicity of rustic life, which he had grown to love as a child.

Stopping by Woods on a Snowy Evening by Robert Frost

How the birches react to a storm is described very picturesquely in the poem Birches, the most popular of all Frost's poems. Are you sure you

want to remove Robert Anthony Thiel from your list? YOU SHOULD CONSIDER THESE IDEAS, THEN RE-EXAMINE THE POEMS MENTIONED FOR EVIDENCE TO SUBSTANTIATE OR CONTRADICT THESE INTERPRETATIONS.

Robert Woof

The tendency of Frost to speak frequently of the objects and creatures of nature in human terms is not to show the harmony between Man and Nature but to clarify that man has much in him that is anima-like and vegetable-like. As a young man, he was advised by the Reverend William E.
