## Empires, Exceptions, and Anglo

Gregg was a soldier in the war of 1812. Adair, a young man who is a worthy representative of the great middle class of Anglo-Saxons from which the true noblemen of our republic spring; for it is a fact patent to all contemplative minds that those who belong to the respectable middle class of

society, being early taught the necessity of relying upon themselves, depending upon their own exertions, will be more apt to acquire that information and those business habits which alone can fit them to discharge life's duties in a commendable manner, and, indeed, it has long been a noticeable fact that our great men in many walks of life in America spring from this class. The affair on the Allegheny river, at the mouth of the Mahoning, near Orrsville.

**We're at the end of white Christian America. What will that mean?**
