In addition, an entrance exam CORE or ACT is required for. Candidates have multiple opportunities to apply their knowledge and skills with measurable outcomes and feedback from university faculty.

Degrees and Certificates

In partnership with families and educators, NMAAHC and ECEI are in a unique position to support the youngest members of our society by providing age-appropriate programming for children; resources for adults at the museum and online; professional development opportunities for educators; and research-based publications. You're also required to complete General Education courses, and Teacher Education requires you to take specific courses from among the General Education selections. .

NDE Teach In Nebraska

Artists at Home This school year, NMAAHC is offering a digital, interactive art program for teachers of grades 3-8 and their classes.
