## Justice, Western Theories of

But, since individuals tend to be selfishly biased, the law should be a product of reason rather than of particular rulers.

## Law and Justice from Antiquity to Enlightenment

The former comprises strict duties of justice, while the latter comprises broader duties of merit. Its rationale is to enforce obedience to the law itself and, thus, to promote security and public order.

## Law and Justice from Antiquity to Enlightenment (review), The Catholic Historical Review

Corporations extracting resources such as oil companies and coal mining companies would pay their taxes to their governments which, in turn, would be responsible for transferring funds to disadvantaged societies to help the global poor. To what extent should liberty be constrained by equality in a just society? The word comes from the Latin *jus*, meaning right or law.

## Law and Justice from Antiquity to Enlightenment by Robert W. Shaffern

New York: Cambridge University Press, 1982. But states have duties to other states, so that there is an international law of nations. New York: Oxford University Press, 1999.
