OMT: Osteopathic Manipulative Treatment

Problem-Based Pain Management is a collaboration between experts in anesthesiology, geriatric medicine, neurology, psychiatry and rehabilitation which presents a multidisciplinary management strategy. After undergoing accreditation evaluation for foreign trained Osteopaths in Perth, WA, Maureen was offered a practice in one of Singapore's leading Osteopathic Clinics, giving her the distinction of having been the first Canadian trained Osteopath to be approved to practice in South East Asia. The College was renamed The John Wernham College of Classical Osteopathy in 1996 in honour of its Founder.
