## Crepusculario, Pablo Neruda (1904)

Me gustaron algunos poemas, otros no los entendí. Morena, la Besadora, rosal de todas las rosas en una hora. Any Neruda fan will enjoy this book but even the non fan would warm to his words.

### belisacrepusculario

Tú serás del que te ame, del que corte en tu huerto lo que he sembrado yo. Morir y todavía amarte más.

## Crepusculario, Pablo Neruda (1904)

His is a world of seeing the world around him. If it is then it completely justifies the five stars I give it, because I believe that if poetry isn't at least attempting to exert some influence or change within the reader's thinking then the poem may not be doing its job correctly, or perhaps the reader hasn't yet been made ready to receive the poem's meaning. Selling words seemed like a decent enough alternative.

### Crepuscularious

MI ALMA es un carrusel vacío en el crepúsculo.

### Crepuscular

Hay que ser dulce sobre todas las cosas; más que un chacal vale una mariposa.
