Pediatric and Adolescent Gynecology

A felony conviction, even if unrelated to the practice of medicine, will be considered evidence of failure to meet this standard.

Pediatric and Adolescent Gynecology

Completion of a one- or two-year PAG fellowship may count toward the minimum three-year requirements of focused practice. If you would like an appointment, please call us.

Pediatric and Adolescent Gynecology

If you successfully passed the 2020 computer-based PAG exam, your Focused Practice Designation in PAG will expire on December 31, 2021, unless all of the 2021 PAG MOC assignments are completed successfully and on time. The Center provides expert medical care in a caring and sensitive environment. Birth control pills oral contraceptives may also help treat certain conditions, including some problems with menstrual periods.

Electronic Devices You may not take electronic devices into the exam area. Maintenance of Certification MOC - All candidates with a time-limited certificate in Specialty Obstetrics and Gynecology must be meeting the ABOG MOC program requirements at the time the PAG Focused Practice written application is submitted, and at the time of the actual written examination.

Pediatric and Adolescent Gynecology

Training and Practice Requirement - In order to qualify as a Focused Practice Designation in PAG, you must have completed a minimum of three years of clinical practice with a focus in PAG. Our doctors may be able to remove an object during a clinic visit. It may not be possible to accommodate requests received after that date.

Pediatric and Adolescent Gynecology

The benefits of minimally invasive surgical techniques include smaller incisions and shorter recovery times than traditional surgical procedures. The best options depend on the needs of each child or adolescent.

Pediatric and Adolescent Gynecology

It is your responsibility as a candidate to monitor and meet all deadlines. Fees must be paid by credit card through the ABOG website and are only payable in US dollars.

Gynecology

It is your responsibility to notify ABOG of any change in this address. We also offer long-term contraceptives that are reliable and safe for teens, such as Mirena and the etonorgestrel implant.
