## F. Dvornik

He forbade anyone from taking part in demonstrations against the Emperor. The election ended with the selection of the monk , who took a hardline stance on officials in the empire who had been or still were iconoclasts. That Ignatius was the rightful patriarch as long as he lived, and Photius an intruder, cannot be denied by any one who does not conceive the Church as merely the slave of a civil government.

## Photian schism

CONTENTS Preface page xi PART I. From surviving letters of Photios written during his exile at the Skepi monastery, it appears that the ex-patriarch brought pressure to bear on the Byzantine emperor to restore him. Tarasios convened the , which condemned iconoclasm.

## Photian schism

In 886, Basil discovered and punished a conspiracy by the domestic of the and many other officials. One of these opinions must be wrong; the present book sets out to solve the mystery of so long-standing a divergence.

## The Photian Schism: History and Legend by Dvornik

Ignatius had been appointed to his position by Theodora and, apparently out of loyalty to her, refused to give his consent. Photius' rehabilitation and the Synod of 879—80; 7. Theology and ecclesiastical history are also very fully represented, but poetry and ancient philosophy are almost entirely ignored.

## Photian schism

This last request proved to be a major obstacle. Confirmation that Photios was rehabilitated comes upon his death: according to some chronicles, his body was permitted to be buried in Constantinople.

## The Photian Schism: History and Legend by Francis Dvornik

He was succeeded by his wife , who in 843 the veneration of icons. His uncle was appointed Patriarch by the iconodule Empress , serving from 784 to 806.

### **The Photian Schism: History and Legend by Francis Dvornik**

The Council of 869, in condemning Photius, supports his assertion. He denounced Byzantine customs of clerical marriage, the use of instead of unleavened bread in the Eucharist, and the omission of the in the.
