At first, it might seem that offering promos and deals is a self-destructive behavior that shortchanges your business. If your mailing list needs a quick injection of fresh blood, list builders can be very useful. Keep in mind that all these major book promotion sites only promote eBooks, not print books or audiobooks.

### **Edible Arrangements Promotions, Discounts, Offers & Savings**

From classic percent-off discounts, to teacher-only specials, to joint promotions with complementary businesses, there's something in here for everyone. The bottom line is that people like things they can try before buying. The more the bookhunt community likes your book, the more visibility you get.
