**THE DOCK BRIEF**

Run your finger over the edges where your Surface touches the docking station sides. As the flights of fantastic oratory for Morganhall escalate towards the interval the physical counterpoint from Tweedy threatened to bring complete hysteria to the sell-out crowd.

**The Dock Brief (play)**

Mortimer was a barrister and got the idea for the play from the real-life practice of the Dock Brief, where criminals could pick a barrister to defend them. Check your power strip indicator light. Switch to a different audio device Check whether audio works using a different device.
