## History of the Impeachment of Andrew Johnson, President of the United States, by the House of Representatives, and his trial by the Senate for high crimes and misdemeanors in office, 1868 on Apple Books

The first article charged the President with committing perjury in testifying before the grand jury about his sexual relationship with a White House intern and his efforts to cover it up; the second article charged the President with obstruction of justice relating both to the civil lawsuit and to the grand jury proceedings. The theory of the proponents of impeachment was succinctly put by Representative Butler, one of the managers of the impeachment in the Senate trial. Just five days after the attack, the Democrat-controlled House introduced an

## Impeachment of Andrew Johnson

Within weeks, Johnson opposed political rights for freedmen and called for a lenient reconstruction policy, including pardoning former Confederate leaders. Born into poverty in North Carolina in 1808, as a young boy Andrew Johnson became apprentice to a tailor.

## History of the impeachment of Andrew Johnson, President of the United States, by the House of Representatives : and his trial by the Senate for high crimes and misdemeanors in office, 1868 : Ross, Edmund G. (Edmund Gibson), 1826

Two years later he ran for the Senate and won. This account of the proceedings against President Johnson includes descriptions of hordes of partisan supporters overrunning Washington, pressuring legislators to impeach in hopes of personal financial or political gain.

## Impeachment

When you design to talk about New Orleans you ought to understand what you are talking about. In March of 1867 they also passed, over Johnson's presidential veto, the which was designed to limit the president's ability to shape his cabinet by requiring that not only appointments but also dismissals be approved by the Senate.
