The I Ching philosophy is a model and like any model some people will find it hopelessly vague, but this should never be your excuse for avoiding this kind of writing.

The Yijing / I Ching oracle

It has been an aid to foretell the future and make decisions for thousands of years. I Ching is over 3000 years old, while the symbols used for divination are more than 5000 years old. Pennies are a good option.

Fuxin Ba Gua was also created by Fu Xi, at the same time with I Ching.

What Is the I Ching?

The wisdom does not arise from what names the I Ching chooses to throw your experience into, but rather how it divides these experiences and how such archetypes balance off each other. You don't need to believe in any supernatural powers to utilize this. They mated to give birth to every thing in the world.
