Across the Atlantic, the expression most often used is bonne fete bohn feht.

Bī'ah al

The CIA's mission was spelled out in an amended Top Secret presidential finding signed by Carter in late December 1979 and reauthorized by

President Reagan in 1981. There the phrase bonne fete is used to celebrate a persons name day Saint wa-āfqā and unless the odds are really in your favor, it wont be the same as their birthday. .
