## Firm to pay of trainee sacking

Moving into a job Your training period will be for a fixed length of time, usually two years full time.

## Trainee Solicitors

No need for contentious and non-contentious seats This will be welcomed by many small and boutique firms that have previously struggled to offer the required experience, often seconding trainees to competitors — where the good ones sometimes get poached! This is the final stage to becoming qualified as a solicitor. Since joining the firm I have taken part in a number of these activities including several football matches against other London law firms which have been a great way to get to know people from different departments.

## Find a Solicitor

You should keep copies of any supporting documents as part of your training record, as the SRA or your training principal may ask to see them at any time. What are the main changes? It can be terminated by the firm, unlike the previous rules which required SRA to terminate.

## Find a Solicitor

You can do your training after completing the LPC , or while you complete the LPC.

## What is it like to be an employment trainee solicitor?

We believe individual differences bring great strengths to our firm. The experience gave me valuable insight into the court process, preparation for the trial and the etiquette required in a courtroom. Q: What are you enjoying most about working at BDB Pitmans? Smaller firms and organisations tend not to recruit trainees so far in advance.

## Firm to pay of trainee sacking

The most interesting work was negotiating the set up development and sale of three luxury houses.

You can take on more trainees If you are really keen to develop your future talent pool, you are now free to take on more than two per partner. A lot of fee earners work flexibly and I appreciate working at a firm that helps employees to balance work and family life. I particularly enjoyed how much client contact I had during my first seat.
