## Maryland lawmaker aims to reduce euthanasia in animal shelters

The most efficient approach for a person wishing to adopt a stray animal is probably to surrender it to an animal shelter and immediately apply for adoption after the holding period expires. The common law scheme gives owners a strong right to possession that may last several years but does not value the best interest of the pet or the rapid emotional bond that develops between the pet and finder. The dog was subsequently adopted and the original owner sued to replevy the dog.
