Kokuhaku

Being somewhat old fashioned, I usually preferred picking up the tab regardless of the above mentioned circumstances, but there have been instances when my date picked up the tab instead, and it had nothing to do with whether my date was Japanese or American, or which country I was in. Overall 2 Story 1 Animation 2 Sound 1 Character 1 Enjoyment 1 I really like the clay animations of Takena, but this thing was just pointless and really really bad.

告白 (済かなえ)

Suki ni Naru Sono Shunkan o

Would you like to have dinner together on Friday? Even the day after you meet someone, you can become a couple if a Kokuhaku is made. I came across this book on Goodreads when I read someone's review. The story itself is told as if Moriguchi is talking directly to the reader, as a member of her class, and the way all the small incidental comments come together to reveal her revenge is cleverly done.

Love Confessions In Japanese: What To Say To Win Them Over

He just said we are friends so I dont ask or whatever.
