They were less likely to be happy, satisfied with life and feel their lives were worthwhile than those who were not abused as children. A long overdue book by a psychologist who has extensive clinical experience treating male victims of child sexual abuse, it explodes the myth that sexual abuse of male children is rare, or that the consequences are less serious than for girls. Spine creases, wear to binding and pages from reading.

Abused Boys The Neglected Victims Of Sexual Abuse PDF Book

I am a survivor of sexual abuse as it was stolen from me at the age of 9. Hunter examines the physical and emotional impact of abuse on its victims and the factors affecting recovery. But John knows right from wrong and only he should be held responsible for his actions.
