Made in the field, as was this determined artist-reporter's way, Hogarth's drawing evokes an English analogy already employed by Joseph Needham, Davidson and other visitors — the English Diggers and Levellers of the 17th century, who had torn down fences and set to work digging up the commons land stolen from them under the new Enclosure Acts.

## Chinese guqin adopted by Vietnamese scholar

The spectacle with which celebrated the fifth anniversary of the communist liberation was brilliantly organised, as Casson felt obliged to admit. Photo by Ken Kobayashi In another part of town, at the Beijing Exhibition Center, a 70th anniversary exhibition is under way that Xi recently visited.

## Behind the Bamboo Curtain: China, Vietnam, and the World beyond Asia

The foolish smile that Yue creates is an adulation to both the Taoist and Buddhist philosophies, and to the effigy of Buddha's statue serenely smiling, an image that adorns many temples throughout China fig.
