### The self

Search for the perfect property Our team of country property finders have experience in sourcing and acquiring rural property on the behalf of private clients. Sustainable Rating - 3 To quote reference SP0140 This Farm for sale in Spain offers total tranquillity whilst being less than 3 km from the village of Bayarcal and has excellent access. If moved outside, they will need housing with clean bedding for shelter in wet weather and for shutting away safely at night.

### How small can you go?

Their constant scratching and pecking can inflict a great deal of damage in a very short space of time. He worked for over 10 years with John Seymour in Ireland and, with him, created the New Complete Book of Self Sufficiency published by Dorling Kindersley.

### Smallholding for Sale in North Devon

Hens will nest happily in an outhouse or a hen house, although this needs to be secure as the biggest threat to your egg supply comes from the local fox population.

The very good news is that in 1990, one of the first jobs was to plant a broadleaf woodland. However, they may usually be allowed access to

shrubberies, orchards and woodland without problems. Today has been a real inspiration.
