The Presidio: Bastion of the Spanish Borderlands

University of Oklahoma Press, Norman. Faulk 1988 Defenders of the Interior Provinces. Los Adaes The Presidio The presidio at Los Adaes had three bastions and six walls.

The Presidio

Employing a chronological approach to his subject, Moorhead traces the evolution of the presidio from the prototype employed in Spanish Morocco prior to the Conquest of America to its appearance in the New World. This is an indispensable work for every historian of the West and Mexico.

The Presidio

Later in western , with independence, the Mexicans garrisoned the Spanish presidios on the northern frontier and followed the same pattern in unsettled frontier regions such as the , at , and the , in. Militarily the presidio played a role that the United States Army fort was later to assume in the West.
