## Boston (MA), United States Zip Codes

In coordination and collaboration with the , the LegalPhysics team of MIT seeks to help formulate this project and resulting code base as a reusable, scalable open standards, open data, open source, open formats and open architecture model thereby enabling and encouraging other local, state and federal entities can easily follow when making their own laws, regulations and other rules available as open, public information assets. Thank you for taking the time to review this information.

## CITY OF BOSTON MUNICIPAL CODE

Additionally, the formatting and pagination of the posted documents varies from the formatting and pagination of the official copy. Getting rid of trash You can get fined for not storing and disposing of your trash properly.

### GitHub

Just use our lookup by address feature at the top of the page or click on the our interactive map to access your needed zip code. For further information regarding the official version of any of this Code of Ordinances or other documents posted on this site, please contact the Municipality directly or contact American Legal Publishing toll-free at 800-445-5588.

### Code Enforcement / Building Inspector

American Legal Publishing and the jurisdiction whose laws are being translated do not vouch for the accuracy of any translated versions of such laws. On January 1, 1975, the Massachusetts State Building Code, Chapter 802 of the Acts of 1972, as amended, went into effect in the City of Boston and superseded all previous codes.

### Collection: Building Codes

Remember to separate trash from recycling on the curb.

### City of Boston code

GitHub demonstrates each of these functions when configured appropriately for the purpose of version control and file access to versions of legal data.

## **Zoning**

The official printed copy of a Code of Ordinances should be consulted prior to any action being taken. The Act was approved by the Council in 1943. If you have a building permit, you can post certain kinds of commercial signage.
