### Code of Ethics for United States Government Service

Many of the post-employment restrictions carry criminal penalties, so please exercise caution and remember that the Departmental Ethics Office DEO remains available to answer any questions you may have about post-employment restrictions. So we're an anti-corruption agency and were charged with preventing conflicts of interests on the part of officers and employees of the federal executive branch. But there was an organization called the Minerals Management Service, which was part of the Department of Interior.

### 5 CFR Part 2635

These non-career employees also are prohibited from receiving any compensation for teaching without prior approval, serving as officers or board members of outside entities, practicing certain professions or being affiliated with firms or other entities that practice those professions.

### Code of Ethics for United States Government Service

It was viewed 0 times while on Public Inspection.

### Summary

An employee may also divest of the financial interest and may be eligible for special tax treatment.

### Code of Ethics for United States Government Service

Has social media played a big part in your role at OGE? A Senate term is six years and there is no limit to the number of terms an individual can serve.

### Restrictions on Post

And other tools to try to reach the public, like you're saying, we don't know you exist. That's displayed by what they've said about their interests. And the vast majority of them do that all the time.

## **Code of Ethics for United States Government Service**

Now what would benefit them, their family, or those close to them. So we lead the program to ensure that public employees carry out the government responsibilities entrusted to them with impartiality, and then they serve as good stewards of public resources.
