Kamenny Islands

A playroom is available for parents who wish to shop without the distraction of their children. Krestovsky Island, like its neighbours and , was in 1710 presented by to one of his closest allies, in this case Prince Alexander Menshikov. Built in the 1770s, it is one of the earliest Armenian churches in Russia.

Nevsky Prospekt Walking Tour (Self Guided), St. Petersburg, Russia

One of the first upscale food markets in Russia, with a wide variety of international produce, opened in the basement. If travelling without a group, note that entering the museum in the morning during the summer is quite challenging, so aim for the afternoon.

Nevsky Prospekt Walking Tour (Self Guided), St. Petersburg, Russia

Major renovation occurred from 1847 to 1848.

The Best Things to See and Do in Nevsky Prospekt, St Petersburg

During the Soviet period, the island continued as a popular weekend destination for Leningraders, who were also drawn to the increasingly developed sports facilities on the island, starting with the Dinamo Stadium from 1925. Why You Should Visit: For anyone who hasn't been inside an active Eastern Orthodox Church, this is recommended as worshippers abound and the building's architecture is something you can admire.

St. Petersburg's Krestovsky Island island and park

Located on the Nevsky Prospekt in St.

Nevsky Prospekt Walking Tour (Self Guided), St. Petersburg, Russia

Petersburg, with much of the island common ground from the beginning of the 19 th century. Its construction was primarily financed by Lazarev. He also co-founded the Museum of Industry and Agriculture where Marie Curie performed scientific experiments.
