challenges the very concept of formation of meanings.

## Social Media:

Ekklesia does not necessarily signify a Church as originally it was a secular term, referring to any gathering of people to deal with political or juridical matters. Please sign up as soon as you can.

## The Gospel in Cyberspace

We think that another way of being human, more universal, more oriented toward dialogue, freer, could emerge from the profusion of electronic technologies. Back on topic:- I believe that God is everywhere in culture and so we can find him in Social Media.

## Social Media:

Peter Malone is an Australian Missionary of the Sacred Heart. Last viewed on the 28 th November 2012 Drane, John. A Theology of Communciation Last view on the 1 st December 2012 Horsely, Rob.

If you would like to join this course which I will be facilitating if we have enough students , please visit , scroll to the bottom of the front page, and follow through. Now are there questions or comments you wish to make to me action? A strong ideological overtone of hypertextuality is that it

## **The Gospel in Cyberspace**

The mailing list now numbers over nine hundred; it will be about two thousand at the end of a full year. D Facing the Challenges of Being A Christian in Social Media. The potential for Christians to use Social Media as part of the reformation away from the Attractional Model of doing Church to a more Missional model, is significant.
