High Society Freeride

It recounts, in the Richardsonian letter form, the experiences of a country girl of good breeding and ideally fine character who is introduced into the life of London high society, is incidentally brought into contact with disagreeable people of various types, and soon achieves a great triumph by being acknowledged as the daughter of a repentant and wealthy man of fashion and by marrying an impossibly perfect young gentleman, also of great wealth. She took part-time jobs in order to handle the stress she gets from her family. There may be health risks associated with consumption of this product.

High Society Freeride

His characters are believable and their motives and actions are clear and reasonable.

High society

However, he knows his target audience and serves it well. And he sometimes crosses the line from heartwarming to sickly sentimentality and from a consciously fairytale-style optimism to amateurish farfetchedness.

High Society (1956)

One minute, you're hating a character's guts and the next, you're cheering for them. For all its lecturing, the novel does make an even-handed, broad-sweeping, intelligent exploration of the issue of drugs in modern Britain.

High Society Freeride

Only a select few retail and demo partners are authorized to sell High Society products and we work with them on an individual basis to provide exclusive offerings in strategic locations.
