Economic Agrarian Structure

The economies of scale in large, integrated supply chains have resulted in gains and concentrated manufacturing results in opportunities for capital accumulation.

Agrarian structure and economic underdevelopment : Kaushik Basu, (Harwood Academic Publishers, Chur, Switzerland, 1990) pp. x + 95

In order to increase capital accumulation, which is an underlying factor of output growth, it is necessary for the manufacturing sector to have access to available credit to increase fixed inputs such as factories, machines, warehouses, and numerous input materials to extend capacity and increase output Ray 1998: 531.

Agrarian structure and economic underdevelopment. (1990 edition)

Modern day farming is well integrated with the industrial sector.

Economic Underdevelopment in Africa

Agricultural vs Industrial Economic Development Different countries have different approaches to economic development; some focus on

economic development through industrialisation while others focus on high-value agricultural production.
