Then, should one spell the Minangkabau words according to their pronunciation, or in their Malacised form, as the Minangkahau themselves do, ,at least when writing in Arabic characters? Indonesia: Law and Society now covers a broad range of legal fields and includes both historical and very up-to-date analyses and views on Indonesian legal issues.

In the crowded field of climate change reports, 'WDR 2010' uniquely: emphasizes development; takes an integrated look at adaptation and mitigation; highlights opportunities in the changing competitive landscape; and proposes policy solutions grounded in analytic work and in the context of the political economy of reform

**Uji petik finalisasi pedoman umum penyiapan dan penyelesaian klaim ganti kerugian kerusakan sumberdaya pesisir dan laut serta sosial ekonomi masyarakat akibat pencemaran minyak di perairan Indonesia dan ZEEI (2004 edition)**

Since the first edition, Indonesia has undergone massive political and legal change as part of its post-Soeharto reform process and its dramatic transition to democracy. Besides proven state of the art processes, the focus is on the potential of new technologies currently under development or demonstration. We shall spell the Minangkabau words in accordance with their pronunciation, as is customary when Minangkabau texts are published in their Romanised form.
