Relationships between Principal and Agent

Business ethics can thus be understood as the study of professional practices, i. We can see it as a debate about the means to those ends, with some arguing, and others denying, that certain acts of prosocial behavior are required no matter what ends a firm pursues. The family reasoned that after the expiration of the employment contract, Sharp was employed only in a managerial capacity, not as an inventor.

Approximately 14 percent of Form M-1 filers indicated they began operations in 2017, while six percent indicated they ceased operations.

Federal :: Registration Requirements for Pooled Plan Providers

The same goes for accountability. No corporation would be possible, even in theory, without such a concept. The final Form 5500 must be filed, absent an extension of time, no later than the last day of the 7th calendar month after the end of the plan year in which the plan terminated, but it can be filed earlier, including as a short plan year filing, if the pooled employer plan were to cease having participants and beneficiaries and distribute all the assets in the middle of a plan year.

Recent Georgia Court of Appeals Case Highlights Alternative Theories of Relief in Unfair Competition Case

Several jurisdictions hold that all shareholders in closely held companies owe fiduciary duties to each other and the company. Corporate negligence will hold an organization liable for the negligent conduct of a provider when the organization was negligent in hiring or supervising the provider.

Timing Is Everything: Liability of Directors and Officers Under the Deepening Insolvency Theory

The case is in the early stages of litigation. Unlike the disclosure provisions related to insolvency, this provision only applies to the pooled plan provider and does not apply to any affiliates.

The Supreme Court has handed down a decision about enforcement

In a suit brought by Mr. Inadvertent or good faith errors in registrations do not nullify a person's status as a pooled plan provider, provided that a corrected or amended filing is submitted within a reasonable period of the discovery of the error or omission.
