ALEXANDER ZINOVIEV HOMO SOVIETICUS PDF

He is no longer restricted to the territory of the United States or to a specific region of the world. It is fundamentally wrong to blame the communist party in the ex-Soviet Union or Eastern Europe as being the only culprit for communist mismanagement or state-sponsored terror.

[Homo Sovieticus by Aleksandr Zinoviev](#)

A few dissident writers in the socialist bloc countries and the Soviet Union wrote about the impact of the communist system on individual consciousness, character, and social practices. This is how it was in Soviet times, and if we had not broken this order, we would still be living in the Soviet Union...much better than now. Nor does it provide any clues as to where and how political change might occur.

The Russian sociologists working for the Levada Center developed the most important variety of. Some European authors even observed that Communism died in the East because it had already been implemented in the West. To a detached observer, Communism had one distinct advantage over Americanism: its repressive character made it look appalling even in the eyes of its erstwhile supporters.
