Basic Law for the Federal Republic of Germany Full citation: Basic Law for the Federal Republic of Germany in the revised version published in the Federal Law Gazette Part III, classification number 100-1, as last amended by Article 1 of the Act of 28 March 2019 Federal Law Gazette I p. They require the consent of the Bundestag and the legislatures of the participating Länder; the right to withdraw from these agreements cannot be precluded. The and the years led to a sharp drop in the number of schools and enrolled students.

Education in the Soviet Union

The project offers international peer-learning workshops, on policy challenges, and a Higher Education Policy Survey that permits comparison and benchmarking of resourcing policy choices.

Higher Education Policy

By the mid-1960s the repeat rates in the general primary schools declined to about 2%, and by the late 1970s to less than 1%. This law may also provide for the delimitation and allotment of local revenue from other taxes.
