Jay L. Garfield

Each text is translated and introduced by a recognized authority in Buddhist studies.

White Ashes: Buddhist Philosophy: Essential Readings

In fact, these lessons can be applied to your everyday life, right here, right now. It occurred to her that others had very different reasons than she did for practicing Buddhism. Garfield Oxford: Oxford University Press, 2009.

Publications of Richard P. Hayes

Buddhist Philosophy fills that lacuna.

White Ashes: Buddhist Philosophy: Essential Readings

It is a judiciously selected and excellently translated sourcebook of primary texts and — through the detailed, nuanced, and scholarly up-to-date systematic and historical introductions to each section — a valuable introduction to the rich variety of culturally and philosophically diverse Buddhist approaches to questions of existence, language, knowledge, mind, and ethics.

Basic Teachings and Philosophical Doctrines of Buddhism, Himalayan realms

A Path With Heart, subtitled A Guide Through the Perils and Promises of Spiritual Life, shows us how a practice centered in meditation can help us stop being at war with ourselves and lead a more open-hearted life. So she set out to find other young Buddhists and collected their stories.

Basic Teachings and Philosophical Doctrines of Buddhism, Himalayan realms

This work balances such one-sided tendencies by revealing Buddhists themselves — from Buddhism's Indian beginnings through its Central and East Asian transformations to the contemporary world of cross-cultural encounters and pressing moral issues — to be engaged in reflection, argumentation, and interpretation logic and hermeneutics and attentive to issues concerning being ontology or metaphysics , knowledge

epistemology , the mind and the person philosophical psychology , and morality and society ethics and social-political philosophy. Well, Buddhists actually have three major Buddhist texts: the , the Mahayana Sutras, and the Tibetan Book of the Dead. This volume is an ideal single text for an intermediate or advanced course in Buddhist philosophy, and makes this tradition immediately accessible to the philosopher or student versed in Western philosophy coming to Buddhism for the first time.
