## The Simplicity of the Israeli

Many of the starving were only miles away from their own vegetable gardens and orchards in occupied Palestine — the new state of Israel. These include an entity in which Jews rule over a Palestinian majority, through various schemes of coercion. It would be wonderful if others could see the same sunshine of truth.

## The Simplicity of the Israeli

The decision was decades in the making, finally prompted by an Israeli Supreme Court decision that forced the government to evacuate the settlement of Amona, which was illegally built on private Palestinian land.

### “Restoring Jewish sovereignty” is not “West Bank annexation”

That is less than 40 square miles. Their solution is to counterattack.

## The Simplicity of the Israeli

Sprinklers were going at mid day in the hot August sunshine. Challenging the Myth of Annihilation — The new historiographical picture is a fundamental challenge to the official history that says the Jewish community faced possible annihilation on the eve of the 1948 war.
