The Past, Present, and Future of Managed Long

In particular, they have concerns that PPOs offered by indemnity insurance carriers are not subject to the same regulation for quality, utilization review, and network adequacy as HMOs and PSOs in states with licensing laws. At what point are IDSSs considered to be engaged in the business of insurance? Evercare, an affiliate of UnitedHealth Group, is the dominant player in the managed long-term care marketplace.

Legal & Ethical Issues that Health Care Professionals Face

Under the provisions, authorized nonprofit health corporations ANHCs and 'provider HMOs' HMOs that contract with other HMOs to provide services are permitted to enter into risk contracts with what are called 'Primary HMOs' to provide services as part of the Primary HMO's provider network. Meanwhile, provider-sponsored plans have established a significant presence in MA, representing 54 percent of plans that entered and remained in the program and accounting for nearly 20 percent of MA enrollees between 2012 and 2015.
