## The New Encyclopedia of Unbelief by Tom Flynn

SHB Column gets National Attention. First, there have been unprecedented social upheavals as regimes once thought unassailable have vaporized, changing the cultural complexion of the age and the world.

## Anthroposophy

Earth religions have become a particular fascination for the galactic public, and the idea spreads that he is the next incarnation of Jesus Christ. Not all contributors are so authoritative, and quite a few entries were evidently written by people with no claim to scholarly expertise on the topic-- which is certainly not to imply that their articles are less than competent. All of our paper waste is recycled within the UK and turned into corrugated cardboard.

## Tom Flynn (author)

The distinguished advisors and contributors--philosophers, scientists, scholars, and Nobel Prize laureates--include Joe Barnhart, David Berman, Sir Hermann Bondi, Vern L.
