### The war on Africa: U.S. imperialism and the world economic crisis

But this would have meant leaving the field clear for the Chinese to spread their influence through FNLA and Zaïre. The USSR was the leading force and the guiding spirit in the military defeat of Germany and Japan.

### Why doesn't the Soviet Union exist any more? Invent the Future

The Kremlin thought Castro's adventurism was dangerous but it was unable to stop him.

### The Soviet Union, China and the West in Southern Africa

The Russian Federation and African states that are parties to the Biological Weapons Convention of December 16, 1971 BTWC and the Chemical Weapons Convention of January 13, 1993 CWC , undertake to comply with and strengthen these Conventions, including by adopting protocol to the BTWC, which provides, inter alia, an effective mechanism for verifying their implementation. The Russians and the Chinese are likely to consider this sort of issue arcane in contrast to the primacy of the revolutionary struggle, and to focus on their rivalry for influence with the liberation movements.

### President Xi Jinping's State Visit to Tanzania

The exhibition brought together various sectors of the Russian economy: agriculture, heavy and light engineering, military and civilian equipment and much more. There the Russians, over the past decade, have more than held their own: in Vietnam and Laos they have emerged at least more influential than the Chinese, and their developing relations with Mrs. In these conditions the imperialist bourgeoisie attaches increasing importance to the ideological molding of the masses; it misrepresents socialism and smears Marxism-Leninism, misleads and confuses the masses.

### Russia and Pakistan: the fifth year of 'friendship'

In Moscow, I pass unheeded. During the Second World War the popularity of the Soviet Union in foreign countries was enormously enhanced.

Become a and make a donation NOW to help keep Pambazuka FREE and INDEPENDENT! Existing socialist states face many of the same external pressures that the Soviet Union faced; future socialist states almost certainly will too.

### **Revolutionary Spirit: Cuba: the Evaporation of a Myth**

However, other experts believe that conclusions like this are premature.

### **Why doesn't the Soviet Union exist any more?Invent the Future**

Diplomatic ties were reestablished with Russia in February 1992, after the Soviet Union was dissolved.

### **Tanzania**

To answer all these questions was not easy.
