## Description: Sadhana of service

All the knowledge will be about what is inside your body. When this offering is made, there will inevitably follow a recession along with a new emergence — recession of negative qualities and emergence of virtues. All attitudes of the mind become the hearty offer as well as the means of getting closer to the Lord.

## Prana Sadhana

Our body is held by the Earth, our body is retained by the air, it survives on water and nourishment and none of these belongs to us.

## PR 02 Apr 2018

If there are so many buildings in this Ashram, these have come out of our austerity. To whom should the offer be made? Fourth, the serious gap in understanding urban issues must be closed.

## Kaśmīra Śaivadarśana mēm sādhanā aura yama

It is also not possible to accept the self as of medium size because in that case the self would be non-eternal and in that case there will be happened kṛtaṇāśa destruction of what is down akṛtābh्यागama enjoyment of what is not down. Krishna says, you have gone to him thinking that the knowledge you sought was the Supreme and he was able to pass it to you.

## Sāhitya: sādhanā aura saṅgharsha. (1965 edition)

According to Jayanta Bhaṭṭa, the self ātmā is also pratyakṣa. So you will feel hot, you will also feel, see in its light. This itself is something very unique.

## Physical sciences and the science of Spirituality

Say truthfulness, does it belong to the body? Human life will be fulfilled only when all the four are taken up one after the other. Our day starts with

a prayer, a collective prayer in Samadhi Mandir. It has to be animated and activated by something very sentient that is within the body.
