## Ottery St Mary's Church

His alterations included lowering the floor level of the transepts, crossing and western part of the chancel to that of the nave, and making the east end, designed for the needs of the collegiate foundation, more suitable for parochial use. Early 14th century 1881 Although only three are 14th century, the other 19 have been created sympathetically. The town belonged to the church of St Mary in in 1086, hence 'St Mary'.

## OTTERY

Date Misericord Location Comment Example 1220 - 1230 1250 - 1260 The earliest complete set of misericords in the UK Misericords: Wide mixture of subject matter and style.

## OTTERY

The excellent Church Guide notes that there is a record of a clock in 1437 but nobody knows if this is the one referred to.

## OTTERY

The font is octagonal and has a moulded pedestal. The arches are complex in cross section but elegantly-shaped. This is a , one of 107 Listed sites in the area.

## GENUKI: Ottery St Mary

Largely mythological content 1350 Christchurch has misericords from 3 distinct periods - 1250, 1350 and 1515, the example shown is from 1350, others are shown in their correct periods. Both monuments are surmounted with elegant ogee and crocketed arches, terminating in bold finials.

## St Mary's Church, Ottery St Mary

Sir George Carew's scroll of arms 1588.

## **OTTERY**

Exeter Cathedral and Its Restoration. Escot, Feniton and Payhembury churches were included in this and this remains the situation at the present time with our current Rector being Rev Catherine Edmonds.

### **Ottery St Mary**

The line split just south of, near the Bowd Inn. Haydon of Woodbury and Ottery St. The first line to close was the line, which originally connected to the Exeter line.
