**Staff View: Semiotics of the media :**

Thus, semiotics investigates the structure and function of all processes in which signs are involved: the processing of information in machines, the stimulus and response processes in plants and animals, the metabolism in organisms, the interactions of primates, communication between humans, the relations between social institutions. The chapter then investigates consumer anti-branding semiotics by examining a sample of anti-branding images targeted at valuable corporate brands.

**Semiotics of the media : state of the art, projects, and perspectives**

In Ensayos Semióticos, Dominios, modelos y miradas desde el cruce de la naturaleza y la cultura. Anti-branding semiotics are strong reflections of consumer brand hate.

**Semiotics of Brand Hate**

Visual signs in the age of digital reproduction. Empirische Analyse visueller Zeichen: der Einfluss der Belichtungsdauer bei der Vergrösszung auf die affektive Bedeutung von Schwarz-Weiss-Fotografien. Weinstock, Martina Wengenroth, Mark Westaway, Shijun Cindy Xi, Gerhard J.

**Maeen Dajenah**

I discussed my interviews with consumers and their way of decoding such brand hate semiotics.

**Table of Contents: Semiotics of the media :**
