### Creating and Using Design Guidelines

Detached covered patios shall meet the requirements for residential accessory structures identified in SMC , Residential accessory uses and structures. Historic landscapes are special places.

### Chapter 19.12 HISTORIC DISTRICT GUIDELINES/REGULATIONS

This provision shall not exclude the use of steps providing access between areas of different elevation on the same property. New Construction: Windows in new buildings shall emulate one of the 19th or early 20th century windows styles and shall be vertically proportioned with a minimum ratio of two 2 horizontal to three 3 vertical and shall be single or double hung.

### The Best Places To Live on the Coast

The design of new construction needs to be compatible and respectful of the historic building stock that surrounds it so that visual conflict and confusion are avoided. A cloth, roof-like cover projecting from a building, usually over the doors and windows. The borough clerk shall transmit the record before the historic commission and the appeal and materials attached to the appeal to the borough assembly within 20 days of the filing of the appeal.

### Live

As an exterior feature they can often provide a focal component of the design.

### Chapter 19.10 HISTORIC DISTRICT COMMISSION AND ADMINISTRATIVE PROVISIONS

Full-length glass doors shall be used for entrance doors on buildings that have large single pane plate glass display windows, are two or more

stories, and have a business frontage of over twenty 20 feet. As a result, he orders the owner to remove or demolish the building.
