appeared on Mother's Day, and that's why it was about single mothers.

Single mother, 1970s: 'This generation can't comprehend it'

Don MacAskill, Scotland Although I'm unmarried and quite happy that way it bugs me when people say that financially they will be no better off if they get married. Journal of Marriage and the Family.

Survivors describe 'horrific' abuse at Ireland's mother and baby homes after damning new report

Narrowing my focus to succeed in life maybe cost me a busy social schedule or pursuing the quest for love.

Single mother, 1970s: 'This generation can't comprehend it'

I think people should do what makes them happy, and if you are so happy you want to tell people how good your situation is that great.

Michael Clifford: Politicians have no excuse not to do the right thing

In the United States, the rate of unintended pregnancy is higher among unmarried couples than among married ones.

In Praise of Single Mothers: Here's What They Do Right

Not having a family to pressure me I can live a far more relaxed life. I think the nuns realized they were in no position to deliver babies, so they started to bring in midwives and county resident doctors and you do start to see the mortality rates drop as you go through the 1950s. My original post
