### Victim

From the many varieties of feminism, the teachings of one school of feminism--standpoint feminism--is chosen as the guiding framework for this discussion. Offenders who are not appropriate for a program will not benefit or will negatively affect the program experience for the victims of crime. International Review of Victimology, 6, 279-294.

### Mediating Sexual Harassment: Aligning The Practice With Feminist Theory

Full report of the prevalence, incidence, and consequences of violence against women: Findings from the National Violence Against Women Survey NCJ 183781. The mediator must do everything possible to ensure that the victim will not be harmed. Family group conferencing FGC, which originated among New Zealand's indigenous population, also represents feminist concerns stemming from the international women's and children's rights movements of the late 1980s and beyond.

### Mediating Sexual Harassment: Aligning The Practice With Feminist Theory

Diversion has occurred for matters which would not normally have been dealt with formally by the juvenile justice system in any case. Battered women's assessment of the criminal processing system's responses.

### Restorative justice and offender screening

Mediators then are typically seated at the ends of the table, while support persons sit off to the side of each party.

### Mediating Sexual Harassment: Aligning The Practice With Feminist Theory

More than 30 truth commissions have been established to officially investigate and provide a record of the pattern of abuses that were committed against a population Reddy, 2004. Those who had unfavorable attitudes were unfamiliar with the process and seemed to have confused conferencing with mediation.

## **Victim**

Such cases, as Umbreit et al.

## **Guidelines for Victim**

One issue raised by Goel 2005 is whether the restorative process is the best option for South Asian immigrant female victims who Goel suggested may be too easily influenced by the process. The politics of Internal Complaint Committees: institutionalized power imbalance Next we explore how structural problems have rendered defunct most mechanisms in the POSH policy which were meant to be gender sensitive.

## **Victim**

This is to ensure some level of anonymity but also to ensure the informality of the process.
