### The Consequences of the Norman Conquest

In the summer of 1017, Cnut sent for Æthelred's widow, Emma, with the intention of marrying her. It was also politic to play up Wilfrid's role. These priorities were connected to the larger abbeys in France, sharing their religious codes of living and living off the same income.

### Norman conquest of England

She could not be married without her consent, and any personal goods, including lands, that she brought into a marriage remained her own property. Society Modern-day reconstruction of an Anglo-Saxon village at in Suffolk The impact of the conquest on the lower levels of English society is difficult to assess. Figures based on the returns for the estimate that the population of England in 1086 was about 2.

### **The Consequences of the Norman Conquest**

Saxon and medieval work on Roman foundations.

### **Anglo**

A Christian Ireland then set about evangelising the rest of the British Isles, and was sent to found a religious community in Iona, off the west coast of Scotland. If they persisted in bringing a case for decision before a shire court, then it could be determined there. The tale of these years incorporated in the Anglo-Saxon Chronicle must be read in its own right, and set beside other material which reflects in one way or another on the conduct of government and warfare during Æthelred's reign.
