## Style on a Shoestring Book Review By Andy Paige

It lacks color pictures, photos: it was literally produced on a shoestring, so don't go in with the expectation of glossy pictures and color swatches.

## Style on a Shoestring: Develop Your Cents of Style and Look Like a Million Without Spending a Fortune by Andy Paige

Bake for 8 to 10 minutes, or until the crust has begun to crisp on the underside, brown on the edges, and the cheese is brown and bubbling. This NY-style gluten free pizza crust is a real thin crust pizza that actually folds in half when you grab a slice, and has that famous chew! From now through June, Lamas fans all over the country can enter online for a chance to win.

She recommends not wearing black at least not as a top and not buying pale, pastel colors.

## Style On A Shoestring

The Slant® tweezer has perfectly aligned hand-finished tips, capable of grabbing even the tiniest superfluous hair. The three essentials to keep your skin in top shape now--to avoid expensive corrective procedures later--are sunscreen, an antioxidant moisturizer, and a product containing retinoic acid. But overall, it was not a bad read, and would certainly be of interest to many who On a rash of fashion reading, I picked this one up.
